

Hononegah Chapter Annual Report 2009 – 2010

Hononegah Chapter, IAAP is a very small chapter, but the members attend, show enthusiasm, participate in all planned activities and are eager to see the chapter continue.

In the past year the chapter continued to meet each month except December and January.

The meetings consisted of:

- * A presentation “Let Bob Do It”, by Ruth Felske CPS and Pat PollmanCPS.
- * A program by Marie Herman CIWD, ATM-B about networking websites for professionals.
- * A presentation by Laurie Staufenbiel, a Private Duty Coordinator.
- * A presentation by Jennifer Bowman of the Rock River Valley Blood Center .
- * A presentation by Mary Ginther and Sue Abel who explained the many differences in health insurance plans.
- * A presentation by Julie Schaper, Executive Director of the Rockford Symphony, “Climbing the Corporate Ladder”.

The chapter participated in fund raising by serving at the Culver Restaurant. The chapter receives a percent of the evening sales.

They also raised money for RTF by holding a Leprechaun Auction. Our chapter continues to donate to the RTF, both as a chapter and individually.

Rockford Mission has been, and continues to be our project for donating items every month. We furnished a room for needy families at the mission years ago, and we continue to supply that room with linens as needed.

A delegate from our chapter attends the IAAP International annual meeting and IDAM.

A long time member of Hononegah Chapter is the RTF Chairman and she strongly promotes the effort in our chapter.

We continue to be a busy, interesting chapter. Hopefully our membership will increase and flourish for many more years.

Respectfully submitted,

Alice Alfredson
President
